HUBBARD CHART OF ATTITUDES

EMOTION	1	2	3	4	5	6	7	8	9
27 to 40	SURVIVES	RIGHT	FULLY RESPONSIBLE	OWNS ALL	EVERYONE	ALWAYS	MOTION SOURCE	TRUTH	FAITH
22.0 <i>Exhilaration</i>	I'll live forever.	My actions are naturally right.	I have full responsibility and I act freely upon it.	I may own it but it's theirs, too.	I am an individual as I please.	The future is endlessly beautiful.	I start and stop any motion at will.	I can make any good thing real.	I trust on a dynamics act that
16.0								Builds constructive future reality and acts to make it truth.	
11.0 <i>Enthusiasm</i>	How could I do otherwise than live long?	I'm glad to be in the right.	I'll be responsible for it.	I wouldn't mind owning some things.	I like my individuality.	I can put so much into the future.	I control and use motion.	Future reality is good.	I trust myself. I can straighten out what I can
7.0 <i>Courage</i>			I can change at will.					Constructive, imaginative goals to enthrall others	
4.0 <i>Cheerfulness</i>	I'm alive and I like it.	I guess we're all more or less right.	Things aren't serious.	I enjoy possessions.	I'm myself and I'll make the best of it.	The future holds so much.	I adjust myself as needed.	I like reality most always.	Things can be trusted in the time.
2.0 <i>Boredom Antagonism</i>	Sometimes you don't survive.	Minor irresolution.	I don't mind responsibility.	Possessions are often troublesome.	I've got to be myself somehow.	The future can be faced, barely.	I can endure it.	Present reality can be endured.	
1.5 <i>Anger</i>	Everything had better succumb but me.	You'd better be right.	You'd better take responsibility SERIOUSLY.	I own in spite of them.	I've got to be myself somehow.	The future can be faced, barely.	I'll stop it if it threatens me and hurt it back.	Reality is a threat.	You can't trust things.
1.0 <i>Fear Cowardice Embarrassment Shame Grief</i>	I guess I'll succumb but maybe I'll take you with me.	I'm right whenever I'm wrong!	You're responsible!	It's MINE! I OWN people and destroy material.	I'm somebody! I hate whatever threatens me.	The present is bad.	I have to stop motion. I'll control people or die.	All reality is perverted. Gossip. Lies are best.	I hate people too good for me.
0.5	I can't survive it.	I'm afraid to be right. I don't dare be wrong. Doubt. Indecision.	How serious things are! If I had responsibility I'd be hurt. It's terribly serious.	I'm afraid I'll lose it.	Maybe I'm not even myself.	There may be no future or present.	WAITING	It's better not to be real. Lies are best.	Life is a threat.
0. <i>Apathy</i>	I'm waiting to succumb.	I was wrong! Everything is beyond right and wrong.	I was and I failed. I'm not even responsible for myself.	I've lost it.	I'd better be another. I'm too painful.	The past is all there is. I can't even face the past.	Motion goes through me. I am powerless before any motion.	I've lost my illusions. Reality is so painful.	I'll betray.
	DEAD	WRONG (Dead)	NO RESPONSIBILITY	OWNS NOTHING	NOBODY	NEVER	STOPPED	HALLUCINATION	DISTRUST

NOTE Although this chart is written in first and third person, it is valid for any dynamic and is the attitude toward any entity or any dynamic.

Dear Chairman,

The manual on Russian Brainwashing (Psychopolitics) which was released to you for your information was, as you know, also given to the F.B.I. in the U.S.A. and to [redacted] in Britain.

We have been requested urgently to recall all copies of that manual.

Please help us to comply with this governmental request. Send your copy or copies of the manual on Russian Brainwashing to Box 242, Silver Spring, Md.

Please also make sure that anyone you know to have a copy of this in their possession also sends theirs. If you paid for your copy or copies, we will extend to you 50¢ credit for materials and books of the H. D. R. F. for each copy.

It is the well-known policy of the Foundation to cooperate fully with the government of any country in which Dianetics is carried on. We ask you to join with us in this cooperation, and to send in these manuals quickly.

Sincerely,

The H. D. R. F.
